

Invision Skin Care

A J D WALLACH CORPORATION
Natural & Formulated By Dr. Paul D. Wallach, D.D.S., D.M.D., F.D.S.

Item# 40411 - 4 oz

Alpha Hydroxy Facial Scrub is the only facial cleanser formulated with plant-derived, colloidal minerals and Youngevity's® "Triple Molecular Adhesion" process. This gentle and sensitive facial cleanser is designed to clean deeply and remove the aged surface layer of the skin to reveal a smoother, younger-looking complexion with tone and vitality. It won't irritate or dry out your skin. pH balanced for all skin types.

ALPHA HYDROXY FACIAL SCRUB

Invision's™ All Natural Alpha Hydroxy Facial Scrub is the only facial cleanser formulated with plant-derived, colloidal minerals and Youngevity's® "Triple Molecular Adhesion" process. This gentle and sensitive facial cleanser is designed to clean deeply and remove the aged surface layer of the skin to reveal a smoother, younger-looking complexion with tone and vitality. It won't irritate or dry out your skin. pH balanced for all skin types.

Item# 40808 - 8 oz

ANTI-BACTERIAL HAND SOAP

Commercial soaps contain lye and tallow which can be irritating and leave your skin with clogged pores. You will notice a distinct difference in our Invision™ All-Natural Anti-Bacterial Hand Soap. We use no synthetic fragrances or oils, leaving your skin clean and fresh. Invision™ All Natural Anti-Bacterial Hand Soap is the most natural and effective cleanser available today and is environmentally safe.

BALANCE CREAM

Youngevity® continues to develop specific products for men and women. For women, we are proud to offer Invision™ Balance Cream. It's a triple-action formula, hypoallergenic, and all-natural. It includes vitamins A, E, and D. Like our cornerstone product, Invision™ Skin Enhancer, it has 75 major and trace colloidal minerals. Invision™ Balance Cream is absorbed into the skin and taken up by the fatty layer beneath. It is then transferred into the bloodstream, where it circulates and stores throughout the body. Each ounce contains DHEA, wild yam, MSM and many more skin-nourishing nutrients!
